

INDEPENDENCE.

Independence happens one mind at a time.
So does corporate rule-the takeover of
democratic decision-making by unelected,
unaccountable corporations.

The transformation of a republic of citizens into a colony of consumers

Thomas Jefferson, American revolutionary and author
of the Declaration of independence, wrote:

**"I hope we shall crush...the aristocracy of our
monied corporations which dare already to
challenge our government to a trial of strength
and bid defiance to the laws of our country."**

It's the Fourth of July, and we've got unfinished business.
It's called **democracy**.

DECOLONIZE YOUR MIND.

DEMOCRATIZE YOUR WORLD.

DECLARE YOUR INDEPENDENCE...FROM CORPORATE RULE.
